

Villa Aiolos

About This Villa

Situated on a sequestered and blissful section on the South Western tip of Santorini, Aiolos offers an inspirational environment of immense proportions.

The villa has been built on a cliff-top area of 6,700 sq meters, close to the famous Lighthouse of Santorini, and is engulfed by some of the most breathtaking oceanic views in the world. This beautiful white-stone building is influenced by a blend of modern and traditional Cycladic architecture, and ranks within the countless stunning residences scattered across this sensational island.

DETAILED DESCRIPTION

Spread across three large floors, the house comprises several living, dining and reception

areas providing a choice of secluded indoor hangouts, sheltered from the baking South Greek sun. The Living area has A/C, flat screen satellite TV, DVD & Cd player-Hi-Fi. Here guests can laze in front of the TV, take an afternoon nap or enjoy a late night bottle or two of the exquisite local wines! There is a large salon based on the lower ground floor, and two smaller lounges - along with an open-plan kitchen/diner - plus one large bathroom with bathtub located on the ground floor of the house. A play room is also available for your entertainment.

It contains five gorgeous bedrooms and each has its own en-suite bathroom, A/C, satellite flat screen TV, CD player and direct dial phone. The two largest suites are on the lower-ground floor, with three slightly smaller rooms located on the two upper floors of the house. The bedrooms all enjoy stunning views from whichever side of the house they are located on, and are flooded by sunshine throughout the day.

The outdoor areas are magnificent. Four decked terraces line different sides of the villa, where guests can relax, sunbathe or dine while savoring the tranquil blue expanse of the Aegean and its astonishing evening sunsets. There is an outdoor pool, plus a Jacuzzi and barbecue area to make your recreational time even more pleasurable.

In keeping with its 5-star status, the villa provides from daily concierge, breakfast and housekeeping services to transportation from/to the port/airport to ensure the villa's premium standards are maintained during your stay. A private chef and waiter can be made available upon request, as can arrangements for the collection and delivery of groceries, onsite massages, laundry and pressing, VIP services like limousine service, hiring of private yachts, jets and helicopters can be easily arranged.
