

## Villa Maistrali

### About This Villa

A Paros spacious grand villa with private pool and a definite ancient greek architectural flair, providing top notch accommodation and service. Villa Maistrali is newly built, in the most graphical place in Paros Island, Petaloudes and near to the main town of Paros, Paroikia but without losing its privacy, this villa seems to be able to satisfy even the most demanding preferences. Villa's breathtaking panoramic view to Aegean Sea is only one from the reasons that makes the specific property the perfect choice for wonderful vacations.

Ancient Greek marble columns are placed outdoor in every corner giving a sense of an old season period.
