

## Villa Freedom

### About This Villa

Villa Freedom located in Kounoupas, just short drive to the famous Super Paradise beach, this villa follows the timeless Cycladic architectural motif. The white color dominates while stone elements match perfectly with the island's rocky scenery.

The villa consists of four buildings, the main villa plus 3 guest houses. The interior decoration is minimal while most of the furniture of both the main villa and guest houses are built-in, bringing out the Cycladic element. The villa also features a smart house operating system where one can monitor everything around the house simply by using his cell phone.

Outdoors, a 140 sq.m beach pool dominates the area with its presence, offering unforgettable moments of relaxation and entertainment under the hot sun. In addition, a wood stove-barbeque area, surrounded by ample living and dining areas, is ideal for social

gatherings. The outdoor area is hugged by a beautifully manicured lush garden with 100-year-old olive trees, Egyptian palm trees, bougainvillea's and a vineyard.

Villa Freedom also provides with a chapel for private ceremonies.
